	APPROVAL OF STATE ENGINEER
	This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the
folic	owing limitations and conditions:
	This permit is issued subject to all existing rights on the
so	urce. It is understood that the amount of water herein granted
	only a temporary allowance and that the final water right ob-
	ined under this permit will be dependent upon the period of use
	d the average number of cattle served from the waters of this
	urce. The State retains the right to regulate the use of the
	ter herein granted at any and all times but does not take respons-
1b	ility for the use of the Federal range.
